

DO YOU HAVE A DAUGHTER DIAGNOSED WITH AUTISM?

Would you like to take part in a research study?

We are looking for PARENTS/GUARDIANS with a DAUGHTER who:

- **Has well-developed language**
- **Does not have an intellectual disability**
- **Was diagnosed with autism between the ages of 5-18**
- **Was diagnosed in the province of Newfoundland and Labrador**

To take part in a study looking at possible barriers that could be contributing to a late diagnosis in verbal girls.

*For more information about the study or to ask if you can take part, please contact **Eva Davenport** at: **709-770-1636** | **ezdavenport@mun.ca***
